Who is BiF for?

BiF - Counseling, Support, Focus on Careers. BiF supports people with a refugee background. You can come to BiF if you need help due to a disability, health issues, or a specific life situation. BiF supports you on your path to vocational training or employment.

Here's what we do together:

• We'll figure out what you're good at and what interests you.

• Vocational training, an internship, a certification program, or a job: We'll see what's right for you.

• You'll practice the language you need in your day-to-day work.

• You'll learn new things for work and daily life, such as how to use digital tools.

• We'll talk about health, stress, and what you personally need.

• You can learn about and try out different careers and workplaces. We'll support you along the way.

Das Projekt „Beratung, Begleitung, Beruf im Fokus" wird im Rahmen des Programms „WIR" durch das Bundesministerium für Arbeit und Soziales und die Europäische Union über den Europäischen Sozialfonds Plus (ESF Plus) gefördert.
